

SPECIFICATIONS

Kodak Alaris E1030 (A4) Sheetfed Document Scanner

Regular Price 65,100

Special Price 60,000

ID: 13.02.144.02

General

|       |                           |
|-------|---------------------------|
| Brand | Kodak                     |
| Model | Kodak Alaris E1030        |
| Type  | Sheetfed Document Scanner |

Scan Performance

|                        |                                                                                                                 |
|------------------------|-----------------------------------------------------------------------------------------------------------------|
| Scan Technology        | CMOS CIS (Contact Image Sensor)                                                                                 |
| Scanning Speed (B & W) | 30 ppm                                                                                                          |
| Scanning Speed (Color) | 30 ppm                                                                                                          |
| Resolution             | 600 dpi                                                                                                         |
| Scan Size              | 216 mm x 3000 mm (8.5 in. x 118 in.), 52 mm x 52 mm (2.05 in. x 2.05 in.)                                       |
| Scan Size Max.         | A4                                                                                                              |
| Color Bit Depth        | 24 bits                                                                                                         |
| Grayscale Bit Depth    | 8 bits                                                                                                          |
| Scan File Format       | BMP, JPEG, Microsoft Excel, Microsoft Word, Multipage TIFF, PDF, PNG RTF, Single-page TIFF, Text searchable PDF |
| Scan Drivers Included  | Citrix certified, ISIS Drivers, LINUX (TWAIN and SANE) Drivers, TWAIN Drivers, WIA Drivers                      |

Paper Information

|                      |           |
|----------------------|-----------|
| ADF                  | Yes       |
| Sheet Capacity (ADF) | 80 Sheets |

Performance Characteristics

|               |                                |
|---------------|--------------------------------|
| Control Panel | 1.5 inch (38 mm) 7 segment LED |
|---------------|--------------------------------|

Storage & Interface

|                      |     |
|----------------------|-----|
| Interface (Built-in) | USB |
|----------------------|-----|
