Feature 30mm dome drivers for balanced sound. High energy neodymium magnets deliver powerful sound. 12Hz - 22kHz frequency range. Padded earcups for comfortable listening.

Others Closed Type: Yes, Dynamic Type: Yes, Diaphragm: PET, Cord Type: Y-shape, Plug: Gold-plated L-shaped stereo mini. Wearing Style: Headband, Over-Ear, Unit of Microphone: Electret Condenser Microphone, Artificial light weight leather.

Specialty Neodymium dynamic drivers deliver precise sound: Lightweight 30mm neodymium dynamic driver units enable the headphones to deliver a punchy, rhythmic response to even the most demanding track. Combined with a highly sensitive diaphragm, you will be able to turn the headphones up louder - without the need for an amp - and still enjoy clear, precise audio across the spectrum. Swivel folding design makes travel easy: Take these headphones anywhere you go. The headphones swivelling earcup design enables easy storage when you are not using them, and enhances portability when you are travelling. The earcups swivel flat, so you can pack them into a suitcase or a bag without worrying about them taking up too much valuable space. Cushioned earpads for total comfort: Listen in total comfort. These headphones have a self-adjusting headband and soft cushioned earcups that cover the whole ear. Enjoy the long-lasting comfort you need for listening to your favourite albums back-to-back. In-line remote and mic for hands-free calls: With an in-line remote and built-in microphone on the headphone cord, you can take hands-free calls from selected smartphones while listening to music. Switch easily between songs and calls with no need to remove your headphones (Only featured with the MDR-ZX110AP model). Wide frequency range for clear highs and lows: The
