

## SPECIFICATIONS

ZKTeco MB10-VL Visible Light Facial Recognition and Multi-Biometric Time & Attendance and Access Control Terminal with Adapter

Regular Price 8,570

Special Price 7,900

ID: 127.06.691.163

### General

|       |                |
|-------|----------------|
| Brand | ZKTeco         |
| Model | ZKTeco MB10-VL |
| Type  | Access Control |

### Technical Info

|                     |                                                                                                                                                |
|---------------------|------------------------------------------------------------------------------------------------------------------------------------------------|
| Standard Function   | ADMS, DST, Self-service Query, Automatic Status Switch, T9 Input, Camera, 9-digit User ID, Multiple Verification Methods, Bell Scheduling, SSR |
| Optional Function   | 125kHz ID Card (EM) / 13.56MHz IC Card                                                                                                         |
| Time Attendance     | Yes                                                                                                                                            |
| Display             | Yes                                                                                                                                            |
| Display Size (Inch) | 2.8                                                                                                                                            |
| Display Details     | 2.8-inch TFT Screen                                                                                                                            |

### Main Features

|                             |                            |
|-----------------------------|----------------------------|
| Fingerprint Sensor          | Yes                        |
| Camera                      | Yes                        |
| Camera Details              | 1MP Binocular Camera       |
| Face Detection Camera       | Yes                        |
| Facial Recognition Distance | 30cm to 50cm               |
| Verification Speed          | 1 sec (Facial Recognition) |
| Fingerprint Capacity        | 2000                       |
| RF Card Capacity            | 500 (optional)             |
| Face Capacity               | 500                        |
| Logs Capacity               | 50000                      |
| ID Card Capacity            | 500 (optional)             |
